Financial Aid -- SF Glens has a financial aid budget available to encourage players to participate in the club soccer regardless of playing level and socioeconomic status. The level of financial aid will be made based upon the need and because there are limited funds available, the scholarships will go to families who demonstrate the greatest need while a financial aid budget remain available. For 21/23 season, we have given approximately \$180,000 as financial assistance and 95% of financial aid applicants receive some form of financial aid.
